Important - Students shall be listed in the $7^{\text {th }}$ grade and again in the $10^{\text {th }}$ grade. Students becoming eligible following a period of ineligibility shall be reported at the time they become eligible.

New students and students who have not previously participated shall be reported prior to participation.

Rule 2. Eligibility List - A member school must register its athletes on an eligibility list with the Arkansas Activities Association before the student may enter interscholastic competition. Such registration of athletes indicates they meet all AAA eligibility rules.

Prior to your first athletic contest eligibility lists must be exchanged with all opponents with whom the school has written contracts or for events scheduled without written contracts.

I certify that I am familiar with the rules and regulations, Constitution and Bylaws of the Association governing the eligibility of athletes as well as the violation section of the Arkansas Activities Association Handbook. I have personally checked this list and the persons named are bona fide students of our school and have complied with all Arkansas Activities Association requirements for eligibility and are entitled to represent our school during the $\qquad$ - $\qquad$ school year.
